

LUME

DESIGNER MIRRORS

See yourself
in a better light.

Any shape. Any size. Any pattern.

Cut, frosted and lit to order in our own workshop.

One workshop, two ways to work with us.

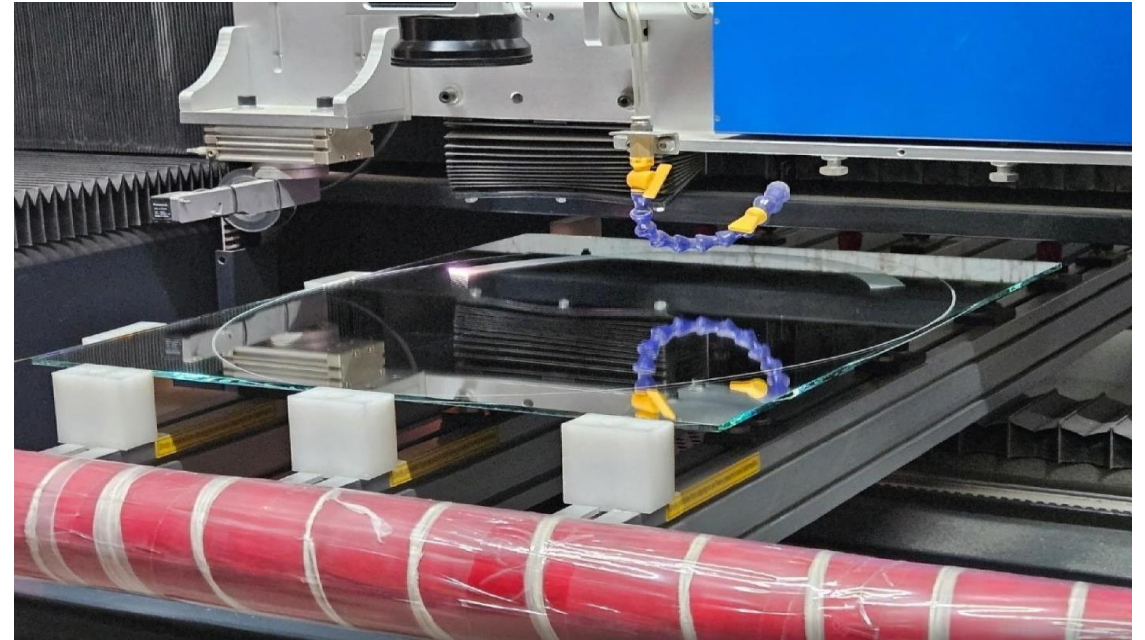

D2C

Finished LED mirrors, made to order

Any shape, size, frosting pattern and frame — lit in cool, natural or warm white, with defogger, clock and Bluetooth options. Single pieces or bulk orders.

RECTANGLE ROUND OVAL FREE-FORM

B2B

Send us your glass — we laser-frost it

Our high-precision fibre laser frosts your own panels to any artwork at ± 0.1 mm, in bulk, with fast turnaround — patterns you cannot cut in-house.

± 0.1 MM BULK RUNS ANY ARTWORK

One mirror, three light colours.

Tap the sensor on the glass to cycle cool → natural → warm. Press and hold to dim. The mirror remembers your brightness.

6000K

C O O L W H I T E

Sharpest detail. For grooming, shaving and make-up.

4500K

N A T U R A L W H I T E

Neutral daylight. The everyday all-rounder.

3000K

W A R M W H I T E

Soft and golden. Matches warm home lighting.

Every Lume mirror carries all three — you are not choosing one at the time of order.

FEATURES

Choose what goes in each mirror.

01

Defogger

Heated pad clears steam from the glass in about three minutes.

02

Clock & Temperature

Digital time and live temperature shown on the mirror face.

03

Bluetooth Speaker

Streams music and hands-free calls straight from a phone.

04

Touch Control

Capacitive sensor on the glass. No buttons, no switch clutter.

05

Inset Magnifier

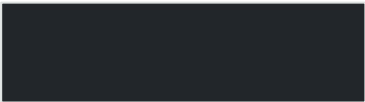

Built-in 3× or 5× magnifying spot for close-up detail.

06

Metal Frame

Aluminium frame in five finishes — or fully frameless.

Full length

Give us any measurement.

Inches or millimetres. Odd sizes, tall panels, double vanities, site-measured openings — all standard for us.
Send the number on WhatsApp and we cut to it.

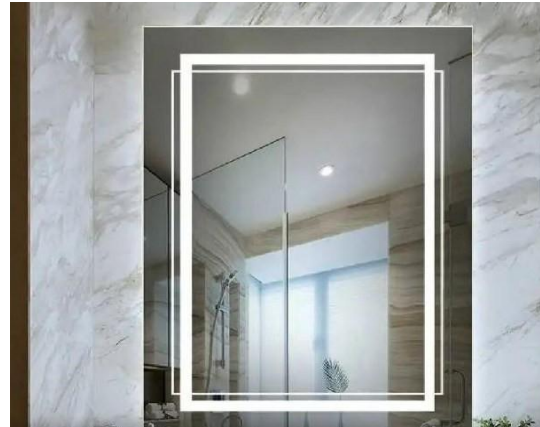

Rectangle & Square

The classic vanity format — edge-lit, framed or frameless, with frosting from clean borders to bold geometry.

MADE TO ORDER

Don't see it? Send a picture.

A photo, a screenshot or a rough sketch is enough. We cut the glass to that exact curve — nothing is off the menu.

MADE TO ORDER

If you can show it, we can light it.

The designs in this book are a starting point, not a limit. Send a photo, a screenshot or a rough sketch — we build it in that exact shape, size and pattern.

01

Send your idea

A photo, a drawing or a saved image.

02

We quote it

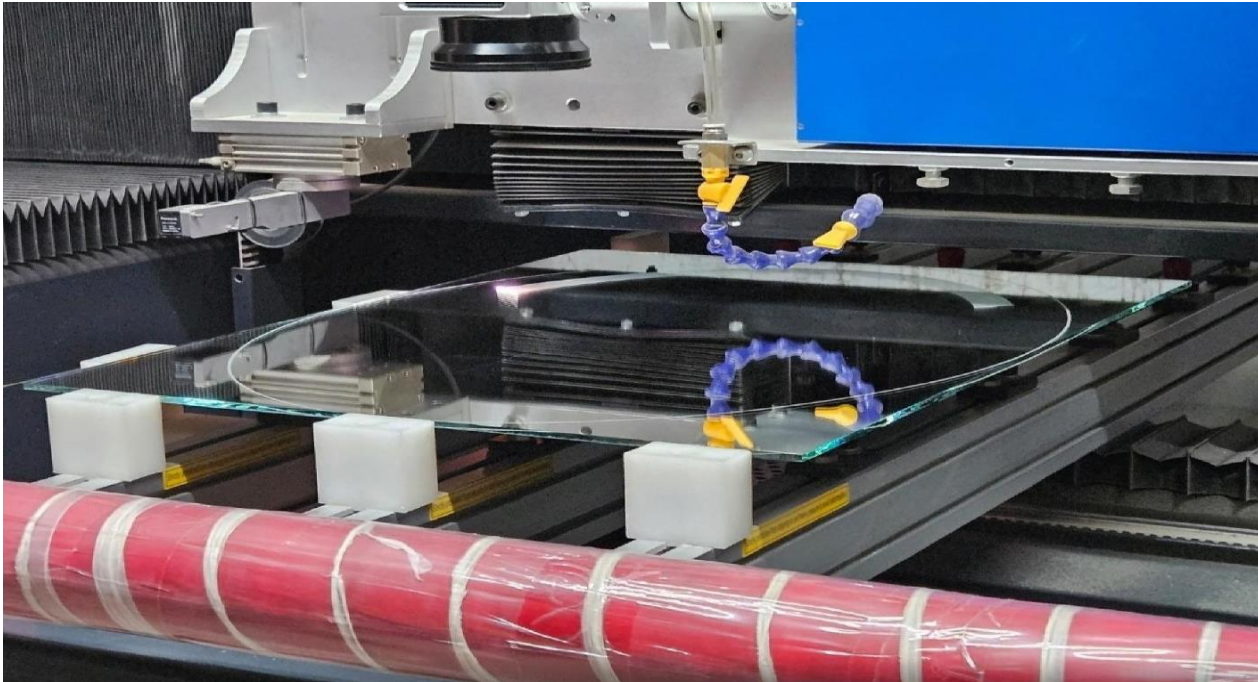

Shape, size, lighting and finish confirmed and priced.

03

We build & deliver

Cut, frosted and wired in-house, packed and shipped.

High-precision mirror frosting, on demand.
